tion. The offeror shall sign the offer and print or type its name on the
cover sheet and each continuation sheet on which it makes an entry.

(c) Offers for services other than those specified will not be consid-
ered.

2. Submission of Offers
(a) Offers and modifications thereof shall be submitted in sealed
envelopes or packages (1) addressed to the office specified in the
solicitation, and (2) showing the time specified for receipt, the solicita-
tion number, and the name and address of the offeror.

(b) Telegraphic offers will not be considered unless authorized by the
solicitation; however, offers may be modified by written or telegraphic
notice.

(c) Facsimile offers, modifications or withdrawals will not be consid-
ered unless authorized by the solicitation.

3. Amendments to Solicitations
(a) If this solicitation is amended, then all terms and conditions which
are not modified remain unchanged.

(b) Offerors shall acknowledge receipt of any amendments to this
solicitation by

(1) signing and returning the amendment;
(2) identifying the amendment number and date in the space
provided for this purpose on the form for submitting an offer;
(3) letter or telegram; or
(4) facsimile, if facsimile offers are authorized in the solicitation.

The HA/HUD must receive the acknowledgment by the time
specified for receipt of offers.

4. Explanation to Prospective Offerors
Any prospective offeror desiring an explanation or interpretation of the
solicitation, statement of work, etc., must request it in writing soon
enough to allow a reply to reach all prospective offerors before the
submission of their offers. Oral explanations or instructions given
before the award of the contract will not be binding. Any information
given to a prospective offeror concerning a solicitation will be furnished
promptly to all other prospective offerors as an amendment of the solicitation,
if that information is necessary in submitting offers or if the
lack of it would be prejudicial to any other prospective offerors.

5. Responsibility of Prospective Contractors
(a) The HA shall award a contract only to a responsible prospective
contractor who is able to perform successfully under the terms
and conditions of the proposed contract. To be determined responsible,
a prospective contractor must -

(1) Have adequate financial resources to perform the contract, or
the ability to obtain them;
(2) Have a satisfactory performance record;
(3) Have a satisfactory record of integrity and business ethics;
(4) Have a satisfactory record of compliance with public policy
(e.g., Equal Employment Opportunity); and
(5) Not have been suspended, debarred, or otherwise determined

available for inspection at the HA/HUD.

(b) Before an offer is considered for award, the offeror may be
requested by the HA to submit a statement or other documentation
concerning any of the foregoing requirements. Failure by the offeror to
provide such additional information may render the offeror ineligible
for award.

6. Late Submissions, Modifications, and Withdrawal of Offers
(a) Any offer received at the place designated in the solicitation
after the exact time specified for receipt will not be considered unless it is
received before award is made and it:

(1) was sent by registered or certified mail not later than the fifth
calendar day before the date specified for receipt of offers
(e.g., an offer submitted in response to a solicitation requiring
receipt of offers by the 20th of the month must have been
mailed by the 15th);

(2) was sent by mail, if authorized by the solicitation, was sent
by telegram or via facsimile, and it is determined by the HA/
HUD that the late receipt was due solely to mishandling by the
HA/HUD after receipt at the HA.

(b) Any modification of an offer, except a modification resulting from
the HA's request for "best and final" offer (if solicitation is a request
for proposals), is subject to the same conditions as in subparagraphs
(a)(1), (2), and (3) of this provision.

(c) A modification resulting from the HA's request for "best and final"
of an offer received after the time and data specified in the request will not
be considered unless received before award and the late receipt is due
solely to mishandling by the HA after receipt at the HA.

(d) If the only acceptable evidence to establish the date of mailing of a
late offer, modification, or withdrawal sent either by registered
or certified mail is the U.S. or Canadian Postal Service postmark both on
the envelope or wrapper and on the original receipt from the U.S. or
Canadian Postal Service. Both postmarks must show a legible date
or the offer, modification, or withdrawal shall be processed as if mailed
late. "Postmark" means a printed, stamped, or otherwise placed
impression (exclusive of a postage meter machine impression) that is
readily identifiable without further action as having been supplied and
affixed by employees of the U.S. or Canadian Postal Service on the
date of mailing. Therefore, offerors should request the postal clerk to
place a hand cancellation bull's-eye postmark on both the receipt and
the envelope or wrapper.

(e) The only acceptable evidence to establish the time of receipt at the
HA is the time stamp of HA on the offer wrapper or other
documentary evidence of receipt maintained by the HA.
7. Contract Award

(a) The HA will award a contract resulting from this solicitation to the responsible offeror whose offer conforming to the solicitation will be most advantageous to the HA, cost or price and other factors, specified elsewhere in this solicitation, considered.

(b) The HA may
   (1) reject any or all offers if such action is in the HA's interest,
   (2) accept other than the lowest offer,
   (3) waive informality and minor irregularities in offers received, and
   (4) award more than one contract for all or part of the requirements stated.

(c) If this solicitation is a request for proposals, the HA may award a contract on the basis of initial offers received, without discussion. Therefore, each initial offer should contain the offeror's best terms from a cost or price and technical standpoint.

(d) A written offer or acceptance of offer mailed or otherwise furnished to the successful offeror within the time for acceptance specified in the offer shall result in a binding contract without further action by either party. If this solicitation is a request for proposals, before the offer's specified expiration time, the HA may accept an offer, whether or not there are negotiations after its receipt, unless a written notice of withdrawal is received before award. Negotiations conducted after receipt of an offer do not constitute a rejection or counteroffer by the HA.

(e) Neither financial data submitted with an offer, nor representations concerning facilities or financing, will form a part of the resulting contract.

8. Service of Protest

Any protest against the award of a contract pursuant to this solicitation shall be served on the HA by obtaining written and dated acknowledgment of receipt from the HA at the address shown on the cover of this solicitation. The determination of the HA with regard to such protest or to proceed to award notwithstanding such protest shall be final unless appealed by the protestor.

9. Offer Submission

Offers shall be submitted as follows and shall be enclosed in a sealed envelope and addressed to the office specified in the solicitation. The proposal shall show the hour and date specified in the solicitation for receipt, the solicitation number, and the name and address of the offeror, on the face of the envelope.

It is very important that the offer be properly identified on the face of the envelope as set forth above in order to assure that the date and time of receipt is stamped on the face of the offer envelope. Receiving procedures are: date and time stamp these envelopes identified as proposals and deliver them immediately to the appropriate contracting official, and only date stamp those envelopes which do not contain identification of the contents and deliver them to the appropriate procuring activity only through the routine mail delivery procedure.

(b) If any such change causes an increase or decrease in the hourly rate, the not-to-exceed amount of the contract, or the time required for performance of any part of the work under this contract, whether or not changed by the order, or otherwise affects the conditions of this contract, the HA shall make an equitable adjustment in the not-to-exceed amount, the hourly rate, the delivery schedule, or other affected terms, and shall modify the contract accordingly.

3. Termination for Convenience and Default

(a) The HA may terminate this contract in whole, or from time to time in part, for the HA’s convenience or the failure of the Contractor to fulfill the contract obligations (default). Upon receipt of the notice, the Contractor shall: (i) immediately discontinue all services affected (unless the notice directs otherwise); and (ii) deliver to the HA all information, reports, papers, and other materials accumulated or generated in performing this contract, whether completed or in process.
(b) If the termination is for the convenience of the HA, the HA shall be liable only for payment for services rendered before the effective date of the termination.

(c) The HA shall, with reasonable promptness, but in no event in no more than 60 days, render a decision concerning any claim hereunder. Unless the Contractor, within 30 days after receipt of the HA’s decision, shall notify the HA in writing that it takes exception to such decision, the decision shall be final and conclusive.
