ADDENDUM 2

Proposers are hereby informed that the solicitation is modified, corrected and/or supplemented as follows. All other aspects of the solicitation document remain the same as amended by:

Question and Answers:

1) QUESTION: Under Contractor Equivalent, can we use the term as specified, in the Description column, if the item is the same as what is listed?
   ANSWER: Yes, but only if the item you’re offering is exactly the same as described.

2) QUESTION: Under Contractor Equivalent, Unit, are you looking for the unit of measure such as each, gallon, etc. or Unit Price? Under Price, are you asking for a Unit price or an extended price based on the “Ordered” Amount?
   ANSWER: The information requested from you the offeror is specific. The RFP requires you to identify:
   
   a. Description of the item being offered
   b. Unit of measure of item being offered (each, 12/pack, 24/case, etc.)
   c. Price per unit being offered (price per unit of measure in “b.”)

   The solicitation only asks for “Description”, “Unit” and “Price”. It does NOT ask for an “Ordered” Amount anywhere in the document. Please respond only as requested in order to eliminate the possibility of your response being determined as nonresponsive or non-responsible.

3) QUESTION: Would it be possible to get the Supplies Price Schedule in Excel format? It would not only save time but it will also be much more legible for those who will be reviewing the RFP.
   ANSWER: An electronic copy of the spreadsheet will be provided if you email procurement@sfha.org requesting an electronic version.
