Notice of Right to Reasonable Accommodation

(Confidential Information. This information will not be disclosed or released, except as permitted by law.)

If you have a disability and you need:

- A change in the rules or policies or how we do things that would make it easier for you to receive rental assistance, and live or use our facilities, or take part in programs on site;
- A repair or change in your apartment or special type of apartment that would make it easier for you to live here and use the facilities or take part in our programs on site;
- A repair or change to some other part of the housing site that would make it easier for you
 to live here and use the facilities or take part in our programs on site; or
- A change in the way we communicate with you or give you information, for example appropriate auxiliary aids, Telecommunications Devices for the Deaf-TDD, qualified sign language interpreters for persons with speech or hearing impairments, or alternate format for vision impairment.

You can ask for this change, which is called a reasonable accommodation.

If you can show that you have a disability and if your request is reasonable, not too expensive, and not too difficult to arrange, we will try to make the changes you request.

We will make a decision as soon as possible, at least within thirty (30) days, unless you agree to an extension of time. We will let you know if we need more information or verification forms from you or if we would like to discuss other ways of meeting your needs. If we turn down your request, we will explain the reasons, and you can give us additional information if you think that will help.

If you need help in filling out a Reasonable Accommodation Request Form, or if you want to give us your request in some other way, we will help you. There is a **Reasonable Accommodation Request Form** on the other side of this notice. You may request a Reasonable Accommodation Request Form at any time you wish to request a reasonable accommodation.

Along with the Request Form, please also submit a third-party verification of your disability, such as the attached **Care Provider Verification Form**, a letter from or the contact information of a doctor, other medical professional, non-medical service agency, or another reliable third-party who is in a position to know about your disability.

State and Federal laws require housing providers to make reasonable accommodations or changes to either the apartments, other parts of the housing complex, or to change rules, policies, and procedures if such changes are necessary to enable a person with a disability to have equal access to and enjoyment of the apartment and other facilities or programs. Please note that such changes must be necessary for the person to have equal access and enjoyment of the housing and programs, not just desirable.

The applicant or tenant in question has requested the accommodation described on the enclosed form. Please indicate by answering the questions below whether you believe the accommodation is necessary and will achieve its stated purpose. You may also add other information that would be helpful in making the right accommodation for the person. This form should not be used to discuss the person's diagnosis or any other information that is not directly relevant to the request for an accommodation.

Please note that the applicant/tenant has signed the form requesting you to answer the questions. You can call customer care at 415-715-5200 if you have any questions.

In order to maintain client confidentiality, we require this form be returned to the Authority by mail or fax at the number or addresses listed below. Please keep copies of all documents you submit to the Authority.
